Education

Trisakti University

2018

Bachelor's Degree, Petroleum Engineering.

Experience

PT Surveyor Indonesia

2022-2025

Surveyor

Conducted land and property surveys in Indonesia's oil and gas field as a SKKMIGAS Representative. Collaborate with engineers and clients to ensure project requirements are met. Adhere to industry standards and safety regulations throughout all survey operations.

Pertamina EP

2018-2022

Jr. Petrophysicist

Performed log analysis on over 50+ wells to identify and evaluate potential reservoir layers, properties, fluid types and fluid contact, and analyzed formation pressure data as a Petrophysicist development project member.

BATM Trisakti

2017-2018

Petroleum Engineer Intern

Analyzed 10+ low resistivity wells to identify potential reservoir layers, rock and fluid properties, and determine oil-water contact (OWC) based on log measurements and Modular Formation Dynamics Tester (MDT) data.

PT Pertamina Geothermal Energy Tbk, Kamojang Field

2014

Practical Work

Assist engineers in daily site inspections of the Field and Geothermal Power Plant (PLTP) to ensure operational efficiency. Collect and compile operational data (steam pressure, temperature, flow rates) for analysis and reporting. Develop a comprehensive technical report or presentation on a specific problem-solving topic agreed upon by the site supervisor.

PPSDM Migas Cepu

2012

Practical Work

Participate in field demonstrations at the drilling rig and production simulators to learn about well-control and lifting methods. Document technical specifications of equipment for use in the academic report. Engage with PPSDM Migas instructors and field operators to discuss current industry challenges and technological updates.

Skills

Technical: Interactive Petrophysics (IP), Techlog, Petrel, PIPESIM, Microsoft Office, LibreOffice, VS Code.

Programming: SQL, Python, HTML, CSS, JavaScript.

Operating Systems: Windows, Linux.

Language: Indonesian (Native), English (Professional), Japanese (Intermediate).

Activities

Society of Petrophysicists and Well Log Analysts (SPWLA) **2026-Present**

SPWLA Member, Jakarta Chapter. Collaborate on technical, social, and community service activities.

Jakarta Drilling Society (JDS) **2026-Present**

JDS Batch 7 Member. Collaborate on technical, social, and community service activities.

TED Translators **2024-Present**

Volunteer Translator. Translating contents from English to Indonesian.

World of Ghibli Jakarta **2017**

Jakarta Representative. Facilitated smooth communication between Japanese teams and local Indonesian event organizers during the setup and execution of complex installations.

Society of Petroleum Engineers (SPE) **2013-2015**

SPE Member, Trisakti University Chapter. Collaborate on technical, social, and community service activities.
